HERO WATER

with electrolytes

Muscle and Athletic Performance:

Electrolytes support muscle function, prevent cramping and improve physical performance by replacing electrolytes during exercise.

Nerve Function:

Electrolytes help nerves efficiently relay messages to and from the brain, enhancing cognitive function and coordination.

Waste removal nutrient uptake:

Electrolytes aid in the removal of waste from cells and improves nutrient absorption, supporting cellular health and energy production.

Hydration and Ph balance:

Electrolyte helps balance body fluids, preventing dehydration and maintaining the body's ph balance for overall hydration and optimal function.

Hearty health and blood:

Electrolytes promote heart health and help regulate blood pressure, ensuring overall cardiovascular wellness.

Energy Production:

Electrolytes support the body's energy production and help maintain energy levels, especially during intense activities or in hot conditions.

Calming Pet drops

for dogs and cats

available in **500 mg**
1000 mg

NATURAL AND SAFE:

CBD is a natural compound extracted from hemp, offering a safe option for supporting your dog's health without psychoactive effects.

WIDELY RECOGNIZED:

As one of the most popular and recognized cannabinoids worldwide, CBD is trusted for its potential health benefits.

NON-PSYCHOACTIVE:

Unlike THC, CBD does not cause a "high," making it a safe alternative for pets.

SUPPORTS PHYSIOLOGICAL BALANCE:

CBD interacts with the body's endocannabinoid system, which helps regulate various bodily functions and supports overall well-being.

Ingredients: Broad Spectrum hemp extract, Hemp Seed Oil. This product contains a total delta-9-THC concentration that does not exceed 0.3% on a dry-weight basis.

How to use: shake well. Give 2-4 drops daily per 10lbs for cats & dog in their food or by mouth. **WARNING:** Always consult a veterinarian before using CBD on your pets. Store in a cool, dry place. **KEEP OUT OF CHILDREN'S REACH.**
